

NORTHLAND 300 FACT SHEET

MISSION

The mission of the Northland 300 is to raise funds for Special Olympics Minnesota through year-round activities planned by an all-volunteer Board of Directors.

HISTORY

Planning for the first Northland 300 began in 1988 with the actual ride taking place for the first time in January, 1989.

Procedures, venues, and activities of Northland functions are planned and administered by a volunteer Board of Directors and an Executive Planning Committee.

100% of all funds raised goes directly to Special Olympics Minnesota to benefit its athletes. (The athletes are the persons Special Olympics serve who are individuals with intellectual disabilities.)

More than 600 volunteer snowmobile enthusiasts have participated on the Northland 300 since inception.

More than 533,000 miles have been travelled on the North Shore, Two Harbors, Lutsen, Eveleth, Ely and surrounding areas on the Northland 300 event(s) since inception.

The Northland 300 volunteer snowmobile enthusiasts have support the sport of snowmobiling, local business in the state of Minnesota and the non-profit organization of Special Olympics Minnesota.

GROWTH OF THE NORTHLAND 300

Northland 300 volunteers have raised more than **\$3 Million** to benefit Special Olympics Minnesota since inception in 1989. In-Kind Donations were established in 1992. Northland 300 Administrative Costs have never exceeded Minnesota State Guidelines (30%) to put on a charity event. Average administrative costs are 24%; Including In-Kind Donations are 18%.

INCLUSION

Bruce Mosher

"Special Olympics is a big part of my life. It's a great organization. I really love participating in Special Olympics sports but I have to tell you - doing the Northland 300 was the most fun I've ever had with Special Olympics. I met a lot of really cool people. We rode our snowmobiles in the cold together - and boy was it cold! We got to stay in hotels and had really good meals. We had fun parties at night with lots of dancing. The Northland 300 raises a lot of money for Special Olympics. It provides opportunities for people like me in many different ways. We can learn and participate in a variety of sports. We can participate at area, state and national competitions. We stay in shape. We meet new people and make new friends. We can learn to be global messengers and speak to audiences about Special Olympics. We can learn how to coach and help other athletes. We can be volunteers and help at competitions. I know how lucky I am for having the opportunity to ride on the Northland 300. I'll never forget this ride and the friends I made. I'm definitely going to do it again next year - and can hardly wait! You guys are all so awesome."

*Steven Eull, Special Olympics Athlete
Northland 300 Participant*

RECOGNITION

The Northland 300 is recognized and supported by its peers at:
*Minnesota United Snowmobile Association
The International Snowmobile Institute
Steer Clear Program*

WEB SITE

- 2009: Exceed the \$3Million mark in funds raised for Special Olympics Minnesota.

MENTIONS

In 1995 it was decided to both diversify and carry on the traditions of volunteerism through safe snowmobiling, thus Teen Northland was established. This was the first charity snowmobile ride for teens.

A decision to end this event was decided in 2003 due to a lack of snow for 5 consecutive years. It has since been replaced with the Northland Road Rally.

In 2003 the Northland Road Rally had its inaugural ride. Its venue contained an Opening Ceremony where the Special Olympics "Flame of Hope" was run in by its athletes to light the cauldron. This event included motorcycles, custom cars & trucks and even a motor home.

In 2008, the Northland 300, engaged in other events to continue the growth of the Northland 300, i.e., Golf Tournaments, 5K Fun Run/Walk, Chili Contest, etc.

QUESTIONS

For further information on how you, your family/friends, or your business can become involved in the Northland 300 or its activities, contact Kathy Karkula at (612) 604-1272 or (800)783-7732 Ext. 272 or karkulak@somn.org.

Platinum, Gold, Silver and Bronze Partnerships are available for all Northland 300 activities.
