NORTHLAND 300 – Not Just For Winter Anymore

In 2001 the Northland 300 decided to offer their snowmobilers the opportunity to participate in motorcycle events during the “off-snow” season. Now this same thinking has expanded to the Northland’s hosting 2 more new events....

The Hamdog 5K Run/Walk – September 6, 2008

The Harvest Moon Costume Ball – October 10, 2008

The public is cordially invited to attend both events and are sure to offer affordable diversification to a snowmobiler’s off season activities.

The 21st Annual running of the Northland 300 is scheduled for January 21-25, 2009. There will be an unveiling of the “Northland Stimulus Plan” at the first Driver/Support Meeting on Tuesday, October 14 at Jimmy’s Food and Drink in Vadnais Heights.

For current information, please visit the *new* Northland 300 website at www.northland300.org.

All funds raised are to benefit Special Olympics Minnesota. For further information contact Kathy Karkula at 612-604-1272, 800-783-7732 Ext. 272 or karkulak@somn.org.
